Hello! My name is Daniel McLemore and I would love to take a moment and introduce you to my family and our Evangelism and Acoustic Gospel music ministry - **Rusty Nail Crossing!**

What began several years ago as a family hobby has quickly blossomed into an opportunity for us to share Christ with others all across this country! Since starting out on this journey, the Lord has opened many miraculous doors for us, and we have seen Him move mightily in the lives of many! It is with the humblest of hearts that we acknowledge that anything we do is a gift from God and it is our sincere desire to share with those around us the Joy of the Lord through music and message!

Our family consists of six members and between us we provide the full array of acoustic, bluegrass instrumentation - Guitar, Banjo, Mandolin, Fiddle, Bass and Dobro.

It has been our privilege to travel across the country preaching, singing, playing and ministering in churches far and wide, and we are always in search of another opportunity where we might be a help or a blessing to just one more person. We believe that God has given us this ministry and therefore, we trust, in faith that He will provide for our needs as we endeavor to fulfill it. At the beginning of 2015, God blessed our ministry with a 1975 MCI MC8 tour bus! As such, when we travel, our bus is our home and we do not require hotel accommodations or other lodging from those that so graciously host us.

It would be a true blessing if you would prayerfully consider whether the Lord would have you to invite us into your church and allow us the privilege of ministering to your congregation. And also, by seeking whether the Lord would lead you to help sustain our ministry through the receiving of a love offering during our visit. **But most of all, we ask that you pray for our family** as we travel and do what we can to bless others with what God has given to us.

When you have time, please take a few minutes to take a look at our ministry online at www.RustyNailCrossing.com. There you will find video and audio samples of our music and other information about us and our travels.

Rusty Nail Crossing is sent out by our home church - Faith Baptist Church of LaPorte, IN - and under the guidance of Pastor Ed Heavner. Please feel free to contact Pastor Heavner if you have any questions regarding our family or our ministry.
